Meeting of Citizens Starts Movement For Lighting of Streets

Charles Peterson Suggests Forming of Merchants' Association

CONSIDERATION of the creation of a lighting district for Niles for the purpose of establishing about twelve permanent electroliers on the main street, and also discussion of the nightwatchman problem occupied the attention of a group of approximately 30 business men and women of Niles who met Tuesday evening in the Egyptian Ballroom at the invitation of Charles Peterson of the Niles Theater. Mr. Peterson acted as chairman.

W. J. Helm and F. V. Jones were appointed as a committee with power to choose three assistants to interview the District Attorney as to proper procedure of establishing a lighting district and also to sound out the sentiments of the property owners regarding this matter.

Engineer Robinson of the Pacific Gas and Electric Company was introduced by George L. Donovan, local representative, and explained the necessary steps of installing the lights. About two weeks ago three test lights were installed but these are only temporary and will be removed unless Niles makes arrangements to keep them.

These lights will cost approximately \$5 each per month, the monthly cost being about \$65 for twelve, this including standards, installation and power.

If the lights are put in by private citizens, a group of business men, the Chamber of Commerce, or some such body, the P. G. & E. requires that the necessary revenue for five years be paid in advance and that would entail an approximate immediate expense of \$3800.00.

If, however, a lighting district is formed, the P. G. & E. will install the twelve lights with the understanding that the \$65 is paid monthly.

The Register will be glad to print statements regarding this matter if business men or other property owners desire to present them in its columns.

Police District

Another matter brought up was that Niles has no official police protection. A private, temporary night-watchman, is employed by several merchants but several of those formerly supporting a night-watchman have withdrawn because of lack of indemnity insurance in case of accident or injury. In other words, if the night-watchman is employed by a merchant and the night-watchman in the course of duty becomes injured, the merchant is liable for damages.

It was decided that Arthur Roderick, present night-watchman, should be asked to appear at the

COUNTY COUNCIL OF LEGION TO MEET HERE

The regular monthly meeting of the Alameda County Council of the American Legion will be held next Tuesday evening at the Odd Fellows' Hall in Niles. Members of Washington Township Post will be host and will serve a banquet.

The Women's Auxiliary will also meet at the same time.

WELFARE CLUB WILL NOT STOP FOR VACATIONS

Mrs. R. H. Hunt entertained Welfare Club No. 1 at her home Monday afternoon, fourteen being present. The time was spent in sewing and during the business meeting plans were made for future work. It was announced that the fiscal year began with this week's meeting and dues for six months were payable in July.

Mrs. Carrie Emerson, of Centerville, will entertain the club on July 15.

A gift of \$5 from Mrs. H. E. Mosher was acknowledged with thanks.

The group will continue to meet during the summer and will not adjourn for vacation.

Costa To Read Register While Staying In Jail

Antone S. Costa, now serving a six-months' term in the county jail for a shooting fray in Niles in March, writes to The Register asking that it tell the public he "is sorry."

Mistaking the shadow of his wife on the bathroom window for that of his mother-in-law, Costa fired into the house. It seems that Mr. and Mrs. Costa quarrelled and she returned to her mother, Mrs. Louise Perry. Costa came to see his wife and was ordered away. The trouble ensued.

Costa writes from the county jail that he has been reading the local paper for fifteen years and wishes to continue getting it. He adds, "P. S.—And if you like, you can print in your paper that I am sorry for what happened to anybody, only I didn't know that I was doing wrong to try to scare some one with a gun but meaning no harm to nobody."

Costa will complete his term in August.

The Louis Perry poolroom is being remodeled and is being used as a fruit and confectioner's stand.

Cannery Receiving Cherries for Schuckl

About twenty tons of cherries were received by Schuckl cannery at Niles this week, the fruit having been sent to the Sunnyvale plant, which is now in operation. The Niles plant will open some time in July.

Mrs. E. H. Hirsch, of Irvington, was one of the members elected to the Country Club of Washington Township, this past season.

CHAMBER COMMERCE HOLDS LAST MEET OF SUMMER

Members of the Niles Chamber of Commerce will meet next Tuesday at the Florence restaurant, this to be the last assembly until next fall.

President Harvey Braun asks all members to be present at the luncheon next week at which time Arthur Roderick, night-watchman, will be present to explain his duties.

A committee to arrange a barbecue was to have been appointed at Tuesday's meeting, but it was decided to postpone this affair until September.

DR. MARTIN WILL ADDRESS "TOYON"

All Interested in this Work Invited To Tea Wednesday

The last meeting of the summer of Toyon Branch of the Baby Hospital Association will be held at the home of the chairman, Mrs. James R. Whipple, next Wednesday afternoon at 2 o'clock, at which time Dr. Anne Martin will speak. All members are urged to be present and all chairmen for the recent garden party are asked to bring as guests those outside the membership who assisted them at the booths or in the arrangements.

Any other persons of the community who are interested in the Baby Hospital or who would like to know more of this institution are cordially invited to be present. Following Dr. Martin's talk, tea will be served, officers of Toyon Branch to assist the hostess in entertaining.

Niles Graduates Enjoy P. T. A. Party

Members of the senior class of the Niles Grammar school who were entertained by the Parent-Teachers' Association last Wednesday evening at a "tackey party" seemed to enjoy the event immensely, according to reports. Following a program of games, music, and dancing, ice cream and cake were served.

A big "picture cake" with candles for all the graduates and the teachers was presented by Mrs. George Coley. Prizes for the tackiest costumes were won by Muriel Fournier, Betty Barker and Chiyoko Kowaguchi. Prizes were also given to those winning in the games.

Principal E. D. Bristow gave a farewell talk to the graduates.

Meeting to Be Held June 27 to Consider Plans

A \$40,000 gymnasium for the Washington Union high school at Centerville has been voted by the board of trustees and a meeting will be held June 27 at 7:30 o'clock to consider plans and specifications for this addition which will be placed at the rear and connecting with the present building.

Four new class rooms will be located at the end of the gymnasium wing, nearest the present building, these to fill a temporary need for the next few years, considerably more class-room space to be necessary eventually according to the present indications of growth. Five hundred pupils are expected to enroll next fall.

The gymnasium will be separated into two parts by a movable partition, offering space for both boys and girls. It is estimated that the bleachers will hold from 1500 to 1800 people and arrangements to be made for extra chairs, movable stage, etc., will accommodate about 2,000 for commencement exercises.

The present auditorium, which proved itself to be deplorably inadequate for commencement this year, seats about 600 or 700 people. A balcony which has been suggested would increase the capacity to about 1,100 but no plans for this are being discussed by the trustees now.

The new gymnasium will be approximately 130 feet long, larger than the Garden of Allah and will offer opportunity not only for school dances, etc., but for physical training, practice in the various branches of athletics, etc., which are expected to considerably improve the standing of the high school on a comparative basis with other schools of its class.

The present auditorium will be used for all ordinary student body gatherings.

Another bus is also necessary to transport the 500 students next year. A meeting will be held July 2, at 2 o'clock, to consider this question. Although the trustees would prefer to handle this matter on contract, the ownership and private operation of busses by the school is found to be much cheaper.

Local Delegates At Woodcraft Meeting

The following delegates have been attending the Woodcraft convention in Stockton: Dorothy Carey, Martha Crane, Julia McKeon, Rose Klinkle, Theresa Oliveri, Ida Easterday, Sara Crane, Gertrude Souza and Mary Miller.

Harry Green has been re-elected by the board of trustees of the Galt High school and will continue his classes in art and stagecraft there next fall.

Stray Bullet From Target Practice Crashes Through Niles Apartment Window

Carelessness or thoughtlessness of a resident of Niles last Sunday endangered an innocent person and the event should be a warning to all who want to indulge in "target practice" close to buildings whose inmates may be injured, or for that matter in any location where passersby may be subjected to possible danger. Besides there is a county ordinance which prohibits firing weapons within 100 feet of the county road.

Mr. and Mrs. Wagner were seated with their family in their rooms in the Peterson Apartments Sunday when a bullet crashed through the front window and fell at the side of Mrs. Wagner. Investigation proved that a thoughtless person across the railroad tracks had been enjoying target practice, the shot had gone astray, but one of the tracks and had been deflected through the window of the Wagner apartment.

AND HERE WAS ROMANCE

THE RADIO took us to church upon the ether waves a Sunday recently as we rode majestically the swelling bosom of the placid Pacific, a passenger on board the Harvard, of the Los Angeles Steamship Company.

Equipped with the best of instruments, those who cared to do so listened in to a powerful sermon by a Los Angeles divine. Everything was complete. The voices of the choir lifting up their touching appeal to God to bless His Children in the houses of worship, in the homes, in the fastness of the desert and upon the high seas. The song often touches the soul of man and influences him to improved conduct where the impassioned address of the pastor passes over the head or fails to make its impress. Sacred music seems to carry even the most worldly of men back to mother's knee, and that means it takes them very close to Christ.

The sermon was perfectly clear; each word was perfectly enunciated and nothing was lost to the writer. It was a happy discovery, that we might, through the aid of one of the better radios, hear perfectly a sermon, and, of course, other speakers or purely musical entertainers when we so desire. The church represents the best in the spiritual life of man. It affords the most worthwhile community intercourse of a people. Its social activities, which are a legitimate part of the work of the Deity, give lasting, not transitory, pleasure to everyone. Some, through affliction, are not able to join in religious activities; but those who can and will not, are deliberately throwing away the very best in life.

Some people may not know it, but the Los Angeles Steamship company is practically controlled by our old friend, Harry Chandler. We can never agree with the way that our old adversary tries to run politics, but he certainly is adept at handling commercial enterprises. The S. S. Harvard is an excellent ship. It is swift and safe. Those in charge are gentlemen. They are efficient and courteous. The policy of the company is to please. They do please. Their service is high-class. Your stay on their ships is a pleasure, because those serving you are human.

No matter where you go or what you do, when you are around Los Angeles, you are liable to run across some of the Los Angeles Times publisher's enterprises. His interests are varied. The ramifications of his commercial structure reach into about every known line of business. And yet with all his multitudinous undertakings and his almost unlimited financial resources, he has never yet been able to whip Los Angeles into line politically. His hirelings take the count one by one. New ones are moved on his checkboard and as deftly are swept off by more astute chess players, who leave their simple daily tasks or small businesses, at intervals, long enough to down the latest move, whatever it may be, of Chandler, who would subvert all to his selfish policy of exploitation.

The good ship Harvard, sturdy boat that she is, full of romance, garnered in time of peace and during the fretful period of war, carried the writer from Los Angeles to San Francisco harbor, making the time almost as fast as the schedule time of train or bus. We left the dock at 9 a.m., amid the general scene of such sailings. Friends were there to bid adieu departing guests. The orchestra, which in the evening also furnishes the strains to which those inclined dance away the night, struck up some lively airs as the ship passed out of its slip. It acted as a farewell to those lining the wharf, some beaming upward to their acquaintances or relatives, others whose tear-streaming cheeks again told that love lives and suffers everywhere. After all, it is people that make life really worth the while. Surroundings are well enough to give color to the picture of life, but they do not make life worth the effort to pursue. It is the person, not the place. It is affection, not the fringe or the furbelow. It is love, not riches and luxury or home or nature, after all, that makes us raise our eyes toward God and thank Him that we live. We cannot pity nor feel compassion for him that truly loves; he does not need it. But him whose soul feels not great attachment for some one other, for him indeed our heart does bleed.

And so, amid this mixed scene of laughter and tears, we left the man-made harbor of Los Angeles and nosed our way through the narrow entrance and then out upon the Pacific, but still and always in sight of the main-land. It has been several years since the writer has taken an ocean trip, and though this little jaunt of five hundred miles up the coast can hardly be called a voyage, none the less it proved to hold much of adventure and of pleasure for the editor of this paper, whose tastes are simple and whose vistas not so large nor so embracing as many others whose lives are interwoven with the tongues and lands of many races.

Was it not true that the ship beneath our feet was the same craft that dared defy the submarines of German atrociousness? It passed many times through seas where every league meant death by planted mine or roving undersea assassin. It carried men and munitions to the defenders of what we all believed to be democracy. It took men by thousands to contest with those who sought to spread the government of heredity and perpetuate the power of kings and emperors. It matters not to us today if all thrones did not fall; some, at least, that boasted a kingly house of centuries, crumbled, and the cradle of democracy swung where once the sword of despots only dangled. Those that still remain are none too secure nor have their fortunes increased as time passes. Where once they laughed at mutterings of the rabble, now these self-same dignitaries give heed and ear to discontent in lowly places.

All this and more. The S. S. Harvard helped in its effective way to bring a better day to those who make their homes

The Newark Register

By JULIA RUSCHIN

Eugene Silva, son of Mr. and Mrs. M. D. Silva, has gone back to the University of California, where he intends taking a summer course.

Quite a number of Newark parents attended the senior ball at the Garden of Allah last Saturday evening.

Louis Ruschin, Jr., left Monday morning for the Boy Scout camp in Diamond Canyon, where he will act as one of the junior officers for three weeks.

Several families attended the annual Moulder's picnic, which was held in San Rafael, Marin county, last Sunday.

Little Betty Jane Steinhoff, who has been quite ill, is gradually improving.

Paul Gyax is making extensive alterations and improvements on his property on the corner of Thornton and Daisy avenues.

Miss Ruth Fuller and little sister, Nadine, have left for their home in Graeagle, Plumas county, for the summer months, after which Ruth will return to enter her junior year in high school.

Five Boy Scouts will leave next Monday for Boy Scout camp where they will stay for two weeks. Those scouts going are: Blair Fuller, Irving Steinhoff, Rutherford Kettmann, Oscar Neimuth and Manuel Gonsalves.

B. W. Fuller spent the week-end with his family here.

Mrs. W. Wyatt and daughter, Lorena, were visitors in the bay region last week.

Lavern Silva entertained at his home Thursday evening after the high school commencement exercises. A large number of the graduates were present. The evening was spent in playing games and dancing. Thirty were present.

Bill Wyatt has accepted a position at the Morton Salt plant for the summer months.

ANNUAL DANCE IS BEST EVER SENIORS SAY

Alumni Dinner Will Be Served By Members Country Club

Reports from the annual senior ball held last week-end at the Garden of Allah indicate that the affair was the most successful of its kind ever given. Music was furnished by the K. G. O. orchestra and the young people as usual enjoyed the excellent floor.

The annual alumni dinner dance will be held June 22 at the Country Club. Reservations may be made with President Allen Norris. Ladies of the Country Club are arranging the dinner and an excellent menu is promised.

J. H. Crothers, of Eureka, visited his relatives in the township this week.

Associated Gasoline Has Added Another Phase Of Service

Who would not travel the roads to romance? And who could have a better opportunity than those lucky enough to live in California, the land of the long, white road that lures you on, an ever unfolding picture of delight?

Back in the days when travel was mostly along the bridal trail, nothing could be more fascinating than to start out, camping equipment strapped upon the mount and wander at will, letting the mood of the moment choose the direction and destination.

But not so, now, in the days when physical comfort is a natural requisite of every pleasant excursion. One not only wants to know where he is going but whether the roads are good roads or bad, whether the grades are steeper than appear and how far it is to the next filling station.

And so Associated Gasoline once more comes to the rescue offering not only "more miles to the gallon," but better miles. Their new guide book just issued at the opening of the tourist season will be of inestimable value to the visitor to California and will also be of great service to the residents of the golden state.

Well indexed, it will be possible to turn readily to maps and directions for any of the many wonderful spots of the west coast where

Decoto Church School Meets With Success

The Decoto Church School started off with lots of pep at nine o'clock Monday morning. The daily attendance this week has been around fifty. The theme has been carried out each day such as goodwill in the world, home, school, community, and nation. Reports were given by Mildred Nevis on Japan, Wendell Blose on England, Spain by Manuel Gutierrez, and Italy by Fred Colliotes.

The faculty are: Primary boys, Sophie Swanson; primary girls, Lucille Nevis; beginners, Aletha Brown; junior boys, Rev. Seebart; and junior girls, Miss Breiner.

The flags of the different nations make a very attractive decoration in the auditorium of the

school. It is hoped that this will help to instill the spirit of Peace and Goodwill in the hearts of the pupils.

Mrs. Herbert Harold and two children are ill in the hospital suffering from pneumonia.

Misses Eva and Marie Swanson, Art Hansen and son, Mr. and Mrs. John Hansen, of Oakland, visited the P. A. Swanson family Sunday.

Milton Nevis left for Camp Marinco in Marin county, Wednesday. He was the best Friendly Indian again this year and as such was awarded this vacation at the Oakland Y. M. C. A. camp.

The Community Christian Endeavor society will have their second annual weiner roast at Bo-

nita tonight. Miss Sophie Swanson is in charge of the entertainment.

Betty and Susan Winfree, of Portola, and Mary Ellen Cronlan, of Oroville, are spending their vacation with Mr. and Mrs. W. A. McPherson.

"We get excellent mileage"
— writes WARREN of Hayward

Operating a fleet of five trucks between Oakland and Modesto, Mr. E. Guy Warren of Hayward watches closely the performance of the motor fuel he uses. He has been using Associated Gasoline exclusively and states that he is glad to recommend it.

"We believe that since we have

been using Associated Gasoline," he writes, "our trucks have been operating more efficiently than they used to. We get excellent mileage and your gasoline gives us all that we can ask for in the way of power."

Drive in at the red, green and cream station or garage and

fill up with Associated Gasoline.

It is a dependable gasoline that gives "More Miles to the Gallon." It starts easily, responds eagerly to your throttle at all speeds. It is a clean motor fuel, refined to insure complete combustion and to minimize carbon formation and crankcase dilution.

STRANGELY mingled were the feelings of the historic gathering as for all time the American flag was hoisted above the small city El Pueblo de Nuestra Senora la Reina de Los Angeles in January, 1847.

Romantic bits of western history such as this are revealed in the Associated Oil Company radio program, "Roads to Romance."

Listen in each Wednesday evening, 8 to 8:30 p. m., on stations KPO-San Francisco; KGO-Oakland; KFI-Los Angeles; KGW-Portland; KOMO-Seattle; KHQ-Spokane.

HIGH SCHOOL FAILS TO ACCOMMODATE CROWD ON GRADUATION NIGHT

Hundreds Disappointed At Not Being Able To Enter Auditorium

THE ONE out-standing impression gained from the high school commencement was that this institution has out-grown itself since last year, a deplorable inadequacy of accommodations being noted by the hundreds of parents and friends who tried in vain even to get inside the auditorium to say nothing of finding a seat.

Scores departed after seeing that it was impossible to get inside. Many stood during the entire performance along the side aisles and in the rear hall, some even crowding around the side doors on the outside striving to get a glimpse of the seventy graduates, the boys in spic and span dark suits and the girls with their vari-colored evening dresses and arm bouquets of spring flowers.

The largest class of graduates in the history of the school and the largest assemblage of would-be spectators marked the 1929 Washington Union High school commencement.

The address of the evening was given by Dr. T. W. McQuarrie, president of the San Jose State Teachers' College, and the valedictory was delivered by Mervyn Blacow.

Music was furnished by the school orchestra under the direction of John E. Kimber, instrumental instructor. These numbers included the War March from "Athalia" and "Intermezzo" from

L'Arlesienne, Suite No. 2, and the "Victory" march in conclusion.

Vocal music included the singing of "America" by the audience and three numbers by the high school boys' and girls' glee club under the leadership of Miss Lesda Sayles, of the faculty.

A feature of the program was the presentation of scholarship pins to Mary Beveridge, Mervyn Blacow, Orville Bloese, James Bunker, Irene Laskey and Eva Teeter. E. B. Hodges, principal, made a short talk to the seniors.

Stage decorations were arranged by members of the Junior class and junior girls acted as ushers.

Boutonnieres worn by the boys and arm bouquets of sweet peas and other spring flowers carried by the girls of the senior class were provided by the sophomore class.

Diplomas were presented to the 70 graduates, the largest number in the school's history and compared to less than 50 last year, by Fred Dusterberry, president of the board of trustees.

The invocation was offered by Rev. Father Holohan, of the Niles Corpus Christi church, and the benediction by Rev. W. J. Attwood of the St. James Episcopal church, of Centerville.

Members of the graduating class were as follows:

Alviso
Mary Azeveda, Clarie Betten-court, Edna Joseph, Vivian Joseph and Albert Leonardo.

HEARTS IN DIXIE GIVES YOU NEGRO LORE AND MUSIC

"Hearts in Dixie," an all-talking and singing comedy picture with 200 entertainers from the levees and the cotton fields of the south will feature this week's announcement for the Niles Theater, this feature together with Vitaphone acts to be shown Sunday and Monday.

This evening Renee Adoree will star in "Tide of Empire" and Saturday, Tom Mix will play in "The Black Diamond Robbery." This show will include comedy, cartoon and news.

A special matinee will be given Saturday afternoon at 2:15 o'clock for the benefit of the youngsters.

If you enjoy southern melodies, negro folk lore and plantation dances, the drama of life along the levees, the rich cadence of negro voices and plenty of comedy, you will be more than pleased with "Hearts in Dixie," said to be the most realistic picturization of "down south" yet filmed.

We print your job on time.

A Word of Appreciation

By Mrs. James R. Whipple, Chairman, Toyon Branch, Baby Hospital Association.

As chairman of Toyon Branch of the Baby Hospital Association of Alameda County, I wish to express thanks to the many who helped make a success of the fete given in the lovely old garden of Mr. and Mrs. J. C. Shinn last Saturday.

We wish to thank these two especially for their hospitality and kindness.

Toyon is the only county branch and one of fifteen branches working with the supervisors to support the Baby Hospital Association of Alameda County.

The following is a list of donations either made out-right or offered at drastic reductions or with generous commissions:

Harvey and Company, John Ralph and Prague's, of Alvarado, butter.

Mr. A. May, Alvarado, cream. Holly Sugar Company, sugar for luncheon and punch.

Innes Cloverdale Dairy, Centerville, milk.

Union Ice Company, of Niles, ice.

International Wood Products Co., of Niles, secured from the Kraft Phenix Corp., main office in San Francisco, cheese for goodie table.

Vivian's Vanities, of the California Market, San Jose, home-made candies.

Grandma is cooking with electricity

"JUST keeping up with the times," says Grandma Collins, "I am one of the many new users of the electric range. I was just over at the PG and E's office and they told me one-thousand five-hundred of their customers will get electric ranges this May and June."

The electric range gives a beautiful, clean kitchen and perfect baking to women who love modern methods.

The electric range has white and gray porcelain enamel that makes kitchens attractive. It bakes perfectly. And it does it automatically. The oven heats up to 400 degrees in 9 to 11 minutes—as fast as one can mix biscuits. The open or closed cooking elements are now made smaller to fit your pans. Heat that was formerly wasted goes to work. Food cooks faster, less electricity is used.

While you're downtown, stop in at a dealer's or at our office and see these new electric ranges. Or telephone us and our representative will gladly show you pictures of the many beautiful new models.

What Famous Users Say About Richfield

CAPT. WILKINS

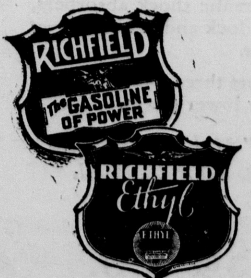

"Richfield Gasoline served our Whirlwind splendidly during twenty-two hours of Arctic flying in temperatures ranging to forty-eight below on our flight across the top of the world. During our efforts to explore the unknown Arctic, we have used Richfield Gasoline under all conditions and temperatures with the utmost satisfaction."

INTREPID explorer and adventurer, Captain Sir Hubert Wilkins! Captain Wilkins was knighted by King George of England for his 2300 mile dash across the frozen Arctic in a single motored, Lockheed Vega monoplane. With his pilot, Lieut. Carl Ben Eielson, he is one of the only two humans who have ever flown over the top of the world.

His exclusive choice of Richfield for the severe flying conditions of the Arctic is tribute to Richfield's performance and is compelling proof of the qualities that have made Richfield the choice of such world famous men as Fred Duesenberg, Anthony Fokker, Art Goebel, Harry Miller and scores of others.

These are the same qualities you need in the gasoline you use in your own car— instant speed and acceleration, greater power and mileage.

June 22—Alumni Dinner Dance, Country Club.
June 27—Knights of Columbus banquet.

Personal Items

Misses Marjorie Martin, Margaret and Marie White are spending the week at the Bellevue summer resort in the Santa Cruz mountains, near Los Gatos.

The Albertson Dairy Farm of Mowry's Landing is erecting a new \$15,000 building.

Edward D. George of the Centerville Nash Company, and Norman Vadnais, a state traffic officer, went on a fishing trip this week in the Sierra Nevada mountains. They will return Sunday. Good luck to these two fishermen.

The F. E. Booth Canning Company resumed operations Monday with the opening of the cherry season. The run of cherries will probably not exceed those of the previous years.

Mrs. Josephine Morris will enroll at the San Jose Teachers College, Monday. She will complete the course in domestic science and receive her A. B. degree.

All of this year's grammar school teachers were re-elected to their posts next year.

NEXT WEEK'S MEET OF SERVICE CLUB LAST OF SEASON

No meeting of the Centerville Service Club was held today but on next Thursday it is hoped that Assemblyman Jost will be the speaker. All members are asked to be present at noon next Thursday at the Gregory Hotel.

According to President Frank Dusterberry, next week's meeting will be the last until after the vacation period.

Twenty-Seven Get Diplomas On Friday

A capacity audience attended the grammar school operetta, "Windmills of Holland," and the commencement exercises at the high school auditorium, Friday night. The operetta was successfully presented by the pupils. The same operetta was given in 1917. Miss Mary Hickey and Miss Julia McKay were the directors, and Miss Antoinette Botelho the accompanist.

Judge Allen Norris, president of the board of trustees, gave the address of the evening and presented the diplomas to the twenty-seven graduates.

ALUMNI DINNER DANCE NEXT SATURDAY

All alumni and friends of the high school are urged to attend the fourth annual Alumni Dinner Dance to be given at the Country Club on June 22. Only a few reservations have been sent in so far. Any one who expects to go by himself or with a friend should send the card to Judge Allen Norris at once, as the association must know beforehand.

Some real work is in store for those who join. It is hoped that this year's graduating class of seventy will complete their record by making the alumni association of the Washington Union High school a live organization in this community. They can if they will.

Remember the dinner dance is to be held at the Country Club house on June 22. A fine time is in store for those who attend.

Miss Jewel Anderson returned home from Stanford University, Friday, for her summer vacation.

Miss Barbara Ingram is visiting her cousin, Miss Betty Robinson, and her aunt, Mrs. F. Bishop.

BEN FARRINGTON SUCCUMBS TO ILLNESS

Sympathy of friends is being extended to the bereaved family of Ben Farrington, aged 32, who passed away at the San Jose hospital Tuesday morning, after a continued illness. Funeral services were held at the Centerville Presbyterian church this afternoon at 2 o'clock with Rev. James McIlhenny in charge, interment following in the Irvington cemetery. Vocal music was furnished by Mrs. D. F. Gatchel, of Centerville, numbers being "Nearer My God to Thee" and "Abide With Me."

The passing of Mr. Farrington is doubly sad because of his youth and because of the three little children whom he leaves, as well as his widow, parents and sisters. The children are Nancy, aged three; Richard, aged five; and June, aged seven. His parents are Mr. and Mrs. E. J. Farrington, of Niles Glen; and his sisters, Mrs. F. P. Sherman, of Centerville; Mrs. Glen R. Mohn, Mrs. J. W. Myers and Miss Virginia Farrington, all of Niles Glen.

The deceased was a partner in the Farrington Electric Service at Centerville, his associates being his father and his brother-in-law, Mr. Myers.

The Farringtons came to the township about five years ago, being natives of New York state.

M. S. Simas, Pete Nunes, and A. E. Alameda were delegates this week from the Centerville Grove of the Druids to the state convention at Mt. Shasta. Important business, discussions, and entertainment will make up the week's program.

Mrs. George Coit witnessed the performance of the "Strange Interlude" in San Francisco, Tuesday.

D. F. Gatchel, social science teacher at the high school, will soon leave for Los Angeles. He will attend the summer session at the University of Southern California which begins July 1.

Mr. and Mrs. Gus Heissler, of Davis, visited the Burghmans and Laumeisters, Monday.

Miss Marie Rose, of the Bank of Italy staff, left Monday for a two weeks' vacation.

Rev. James McIlhenny has announced that his sermon for Sunday morning at the Centerville Presbyterian church is: "Man Equipped for Life Work through the Study of the Scriptures."

Mrs. Philip Griffin has returned home from a month's visit in Yreka.

Henry Small and family, of Fresno, visited Henry Lehr and family, Tuesday.

Mr. and Mrs. Fred Dusterberry visited in Mill Valley, Friday and Saturday.

Mrs. George Coit and children left today for a two weeks' vacation with relatives in Oreville.

Dr. and Mrs. du Bois Eaton will leave next week for their trip to Alaska.

Mrs. R. Townsend and Miss Blair are leaving for Oregon this week.

Miss Lucille Newbert, social science teacher of the high school, will leave on July 10 for an extended visit to the Hawaiian Islands.

Mrs. John D. Galvin was the hostess to the Ladies' Aid Wednesday. Her luncheon was very delicious. This was the last meeting of the year. The ladies intend to make extensive improvements on the manse.

Mrs. Earl Hygland has returned home from a trip to the south. She visited in Los Angeles, Fresno and Gilroy.

Mr. and Mrs. H. Overacker were in town Saturday.

Miss McCormick entertained the "Sweet Sixteen" on Monday, the 17th.

Miss Kathryn McMillan, girls' physical education teacher of the high school, returned to her home in San Luis Obispo this week to spend the summer vacation.

Mrs. F. O. Bunting spent several days in San Francisco this week.

St. James Guild holds its last meeting for the season at Memorial hall, June 26. There was a large attendance on Wednesday with Mrs. G. Laurie and Mrs. E. Hayes as hostesses. At the next meeting, Mrs. B. Hawley and Mrs. C. Emerson will act as hostesses.

Father Souza left Monday for his three months' vacation in Portugal and the Azores Islands. Father Terra is taking his place at the local Holy Ghost church.

Mrs. Adeline Santos, local postmaster, represented the local Victory Circle No. 106, at the convention of the Grand Circle at Mt. Shasta this week.

ATHLETIC TEAM IS WINNER OVER W.O.W. BOYS

In the most startling upset of the current volley ball season, the Centerville Athletic Club severely trounced the strong Woodmen team of Centerville in two straight games Monday night.

Entering the battle on the short end of two-to-one odds, the club boys completely outplayed and out-fought their more favored opponents. The victorious sextette, under the leadership of Frank Madruga, now feels that it has completely wiped out an early season defeat at the hands of the Woodmen.

Captain Botelho, the leader of the W. O. W.'s is reported to have retired to his home somewhat ill after the effects of the unexpected defeat. Acting Captain Fred Rogers stated yesterday in an interview that the Woodmen had an off night but will be in excellent shape for the next renewal of hostilities. Moreover, it has been rumored that the Woodmen team is secretly practicing in the late hours of the night in order to make a more presentable showing in their next appearance. All of which presages a great battle between the arch rivals in the near future.

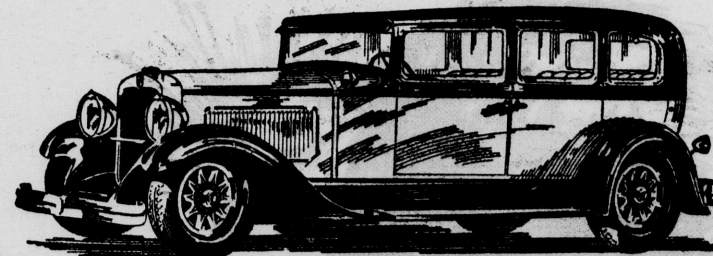

The tentative line-ups are:

Club Team:
Frank Madruga, captain; Richard White, Leonard Lucio, Harold De Leon, Frank Sousa, Herman Man and Manuel Olivera.

Woodmen Team
Frank Botelho, captain; Allen Norris, Fred Rogers, John Santos, George Robinson, Andy Gronley and Harrison.

Township Schools Close With
Excellent Graduation ExercisesGRAMMAR SCHOOLS of Washington Township
celebrated their various closing programs last
week, one of the out-standing ones being the cantata,
"Lindy," given by the Niles school children at the local
theater. The production was given under the direction
of Mrs. Charlotte Huntley Foster, vocal instructor in
the township schools, and was
said to be by far the most cred-
itable performance yet given by
the Niles pupils.Another of the more elaborate
programs of large cast was the
Irvington operetta, "Love Pirates
of Hawaii." At Alvarado, "Grand-
mother's Flower Garden" was pic-
turesque and colorful, as was "El
Toroso" at the Decoto school.Programs were also given at the
smaller schools, the children carry-
ing out their parts most creditably.
Music by the school orchestras
in all communities added greatly
to the pleasure of the occasion
and it is gratifying to know that
this phase of work will be con-
tinued.John E. Kimber will devote all
his time to the high school or-
chestra, Mr. McClellan will in-
struct the grammar school orches-
tras and Mrs. Foster will have
charge of the vocal music again.Many of the teachers have al-
ready left for vacations and in
several cases where resignations
have taken place, new teachers
have been elected.Minor repairs will take place at
the buildings during the summer
vacation. Additions are to be
made to the Niles Grammar school
as stated in another part of The
Register.CITY DRIVER MUST
OBEY TRAFFIC
LAW HERESome visitors via motor cars to
our township have an idea that
anything will get by in the coun-
try, but Judge J. A. Silva is fast
disillusioning some of them at
least. When Eddie Thrall, of
Alameda, was apprehended for
having his muffler open, he
claimed that he supposed that it
didn't matter "here in the coun-
try." Anyway, it cost him \$5 to
find out that "traffic laws is traf-
fic laws" just the same as "pigs
is pigs."George Hersh, of Oakland, drew
\$10 for speeding, and M. Marcho,
of San Jose, was fined \$25 for
reckless driving.Elk's Association

MONTH OF JUNE
IS TO HAVE RAIN
AND COLD NIGHTSFather Ricard's forecast for a
"wild and stormy" June is prov-
ing itself correct, the rain storm
this past week-end doing more
damage to tourist trade than it
did to the cherry crop. Eastern
Shriners visiting Los Angeles, San
Francisco, Yosemite and other
points will probably have some
more stories to tell about Califor-
nia's climate when they return
home, having been rained upon
during almost all of their visit in
the golden state.Father Ricard promises for the
remainder of the month:Touch of Summer
June 19, 20, 21—Will see the
passing eastward of the storm over
Washington, thus leading a touch
of summer to the whole Pacific
slope—these dates ought to bring
an increase of heat to the central
and southern portions of Califor-
nia, mercifully offset by moder-
ately cool nights.June 22, 23, 24—Weather again
slightly unsettled over northwest
Washington and balance of coast
unaffected.June 25, 26, 27—Weather con-
tinuing unsettled over western and

fogs and cold nights in Cali-
fornia.June 28, 29, 30—Disturbance in
northwest still persisting with lit-
tle or no change down this way.

1800 conversations at once
through a cable less than 3 inches thickThe earth beneath our great cities is so crowded
with pipes, cables, etc., that any further additions
create serious engineering problems. Yet the num-

is steadily increasing.The challenge to the scientific minds of the Bell
System was to find a way for more conversations in
existing conduits. Today, by many improvements,
cables of 1800 pairs of wires have been perfected.

Legion Mobilization Wednesday Evening Registers 67 Per Cent

Splendid Organization
 Makes Boys Available
 For Any Disaster

Washington Township Post of the American Legion went over with a most creditable showing in the state-wide mobilization test which occurred Wednesday evening about 8 o'clock, when the fire department assisted by sending out the call for registration, 67 per cent of the total membership of 83 signing at their various stations within an hour and a half's time, most of this number having registered within ten or fifteen minutes after the call.

Commander John Dutra, fortunately, was listening in on the radio when the state-wide call for mobilization came. Within ten minutes he had the whole township notified, so complete and successful had his organization plans been made.

In ten minutes after the fire siren was heard, nineteen of the twenty-seven members of the Niles group had signed the register at the fire hall.

Signing at Niles, was one man from Fresno, who heard the call, recognized its meaning, jumped from his car as he was passing through Niles, and signed.

In Decoto, the eight members signed 100 per cent.

In Centerville, fifteen of the seventeen members signed, the other two being out of town.

In Irvington, the committeeman was ill and only one signature was made.

In Newark, eleven out of fourteen members signed.

All of which means that in case of fire, flood, or other disaster

the majority of the legion members of Washington Township can be gathered at a central mobilization point in little more than an hour's time, even though the boys knew nothing of it until the signal came. In an hour and a half Wednesday evening fifty-six of the eighty-three signed up, many of the remaining ones being out of the township at the time.

This mobilization was state-wide but it is expected to be a part of a nation-wide mobilization test for the American Legion boys, the backbone of the nation's citizenry.

Commander Dutra wants to thank members of the township fire departments especially for their service in sending out the calls for this mobilization.

YOUR QUESTION AND ITS ANSWER

QUESTION—"I am a woman of 56 and have been told that I have high blood pressure. I am over weight but do not seem able to reduce. Am five feet tall and weigh 190 pounds. What is your advice?"

ANSWER—There is no doubt but that you have high blood pressure if the above is correct. My advice to you is to do something about it at once. If you are properly dieted and treated there is no reason why you should not regain a normal weight and blood pressure. My methods will do this for you if you will follow instructions as to diet and take your treatments regularly. Phone for an appointment and examination. There is no charge for this.

MORE ON MEETING OF CITIZENS

(Continued from Page One)

meeting of the Chamber of Commerce next Tuesday and explain just what his duties and obligations are toward Niles, and it is expected that this body will take some steps toward a solution of the problem.

The thought that all the property holders as well as the merchants on First Street should share in the payment of wages to a watchman was also expressed, since all the residents of the town would receive the benefits of the services of the watchman.

Merchants Association

Mr. Peterson also brought up the subject of the formation of a merchants' association to consider such matters as discussed in the meeting Tuesday evening. Harvey Braun, president of the Chamber of Commerce, expressed opposition to the idea, stating that all such matters rightly fell under the jurisdiction of the Chamber of Commerce, and there was no necessity of having two organizations. No action was taken.

Reports were that this was one of the most enthusiastic gatherings of business men ever held in Niles. Practically all the merchants of First Street were present and a number of other prominent citizens of Niles.

One point brought out by the P. G. & E. representatives was that more street lights would lessen the necessity of more police protection, as the lights in themselves would bring about more protective conditions.

It was suggested, on the other hand, that the lights would serve First Street only, and while a most excellent addition to the town, would not materially affect the need of adequate police protection.

HAYWARD P. T. A. WINS IN STATE POSTER CONTEST

"Worthy Home Membership and Parental Education" were the themes of the national convention held in Washington, D. C., and of the state convention held in Sacramento reported by Mrs. F. V. Vollmer, president of the Sixteenth district, California Congress Parents and Teachers, who told of the wealth of material compiled for the use of the association for parent-training classes and study groups. Mrs. Vollmer also stressed the need of child welfare and parent-teacher magazines in this work. Mrs. R. L. Cardiff, state president, has just appointed Mrs. Vollmer, chairman for the magazine, use of which is very helpful

**DICK JELLEFFS
WILL RESIDE IN
WASHINGTON**

Mr. and Mrs. Richard Jelleff, of San Francisco, are to make their home in Washington, D. C., where Mr. Jelleff will assume a merchandising position in the buyers' department of one of the best "F-Street" stores in that city. "Jelleff's" owned by Frank Jelleff, Dick's paternal uncle. Mr. Jelleff left for Washington recently, stopping in Los Angeles en route to visit his mother and Mrs. Jelleff and little Dick

who motored down recently with friends. Mrs. Jelleff will return to Niles for a visit with her parents, Mr. and Mrs. Philip Moore, before going east to join her husband. This new business connection is a considerable advance and offers a most propitious opportunity to Mr. Jelleff. His and Mrs. Jelleff's friends, while rejoicing at their good fortune in this respect and in their residence in beautiful Washington, greatly regret the fact that they are removing themselves so far from the home-town and old friends.

**MILLS COLLEGE
SUMMER COURSE
IS ANNOUNCED**

Announcements have been received locally of the Mills College summer school of music, drama and art, to begin July 1 and continue to August 9. Those in charge will be Luther B. Marchant, music; Samuel J. Hume, drama; and Ralph H. Johnson, art. The Stradivarius quartet will give ensemble concerts semi-weekly and individual instruction will

be available. Courses will be offered in play production, playwriting, stage-craft, make-up, etc. Two large productions will be given during the season. Classes will be arranged in all the branches of art. Trips to art exhibits, French and Chinese theaters, and other bay district points of interest will be arranged. Hyde—California Water Service Corporation will immediately start construction of reservoir near here to relieve water situation in Contra Costa county.

**Let Your Mutual Clerks Help
With Your Household Problems**

MUTUAL CLERKS can intelligently help customers select foods because they receive a thorough course in the uses and values of different food products before they go to work in the stores; and then they attend frequent meetings, where further instruction is given. While attending all of these classes, Mutual clerks are paid full salary. Thus it is not unusual for customers to rely on the clerks in their Mutual Store to advise them in the selection of foods and other household supplies.
